Full Stack Development

TASK LIST

Join our comprehensive full-stack development internship. Gain hands-on experience in frontend (HTML/CSS/JavaScript) and backend (Node.js/Django/Flask) technologies. Work on real-world projects, integrate frontend and backend components, and collaborate with experienced developers. Prepare for a successful career in full-stack development.

TASK 1

Simple E-commerce Store

Develop a basic e-commerce store with product listings and a shopping cart. Use HTML/CSS/JavaScript for the frontend and a backend framework like Django or Express.js with a database for product management and order processing.

TASK 2

Social Media Platform

Develop a social media platform with features like user profiles, posts, comments, likes, and follows. Use HTML/CSS/JavaScript for the frontend, a backend framework like Django or Express.js, and a database for data storage.

TASK 3

Project Management Tool

The project's structure ought to resemble a primary social media network where users can communicate with one another. Like on social networking, users should be able to create group projects and tasks inside them, assign jobs, and comment on each other's work.

TASK 4

Video Conferencing_Website and Application

This project requires you to use various skills to ensure that your website or application covers various features such as sharing a screen, sharing files, whiteboards for writing or drawing, video conversations involving several people, data encryption and user authentication, and video capture. It gives you experience with various tools and libraries and insight into popular frameworks.

SUBMISSION DETAILS

You will have to provided task submission with in 5 days in your whatsapp group during your internship period .

It's essential for each intern to complete three task in the assigned tasks. If someone completes only one tasks, their internship may be considered incomplete or certificate will not be provided, So Please make sure to fulfill all tasks assigned to you and submit in Submission form to ensure a successful Internship.
